Dear recipient,

Thank you for your interest in Gardien Daycare software!

Gardien Engineering, LLC provides software as a service. Our software is an application designed with the purpose of facilitating the daily tasks of managing a nursery. The application was developed by our company and is composed of an application that is installed on a tablet with Android operating system, a web page that acts as an administrative console and a mobile application available for both iOS and Android devices that use the internet as media. As our company does not use intermediaries or distributors, we are the only seller / distributor / provider of our service.

This letter is to confirm that Gardien Daycare is a unique product, created, sold, and distributed exclusively by Gardien Engineering, LLC, 8 Carr 833 Cond Lincoln Park Suite 808 Guaynabo, PR 00969. No other company manufactures a product that provides the following characteristics:

- Automated Emergency Alert System when the child has not arrived at the Nursery in compliance with the Laws and state needs of Puerto Rico, which requires messaging and telephone calls to the parents.
- PACNA Food Administration Protocol and the reports required by it.
- Daily and Historical Digital Documentation adjusted to the needs of the government of Puerto Rico.
- Local technical support and if required on site with staff in both languages, Spanish and English.

This product must be purchased directly from Gardien Engineering, LLC, at the address above. There are no other authorized agents or distributors to represent this product. If you have any questions, feel free to call us at (787) 431-1387 or (787) 806-8053.
